In August we will hold Vehicle Pre-Bid Conferences in Indianapolis, Indiana. The dates of the Pre-Bid Conferences per manufacturer are listed on the calendar in this mailing. The Pre-Bid Conferences will serve as an informational session on the program, how bidding will be managed, how contracts are awarded, an introduction to our online bidding system, an overview of the official calendar (enclosed), a discussion on the program's terms and conditions, and an opportunity to go over all vehicle specifications for bid 20-01-1024. We hope that you will be able to attend this very informative workshop.
