**Subject:** Update: 2021-2022 ISA Vehicle Contract Year

**Importance:** High

### **TO: ALL INDIANA VEHICLE DEALERS/MANUFACTURERS**

The Indiana Sheriffs' Association (ISA) would like to inform all ISA Procurement Program vehicle dealers and manufacturer representatives that the ISA will not be awarding contracts for the 2021-2022 contract year. This decision to not award contracts under Bid 22-03-1015 was based on no participating dealer submitting a successful bid. Additionally, some dealers declining to participate in this bid due to the current nature of the automotive industry and government concessions. For those of you who held a contract under Bid 21-02-1022, these contracts have expired as of November 7<sup>th</sup>, 2021 and Bid 22-03-1015 will not go into effect on November 8<sup>th</sup>, 2021, as originally scheduled.

Over the course of the next year, the ISA will be working strategically to improve the success and dealer participation in the Association's Vehicle Procurement Program for the 2022-2023 contract year. The ISA welcomes all feedback and recommendations from Indiana vehicle dealers and manufacturer representatives to make the Association's contracts more competitive and beneficial to county and city government agencies.

If your dealership held a contract under Bid 21-02-1022, quarterly reports will still be required for 2021 Quarter 4 and so on until all orders have been reported. The Association will confirm via electronic communication when your dealership is no longer responsible for submitting a quarterly report. In addition, if your dealership has any purchase orders that were placed under Bid 21-02-1022 that have not yet been submitted to [kmitman@indianasheriffs.org](mailto:kmitman@indianasheriffs.org), please submit all copies immediately.

If you have any questions or concerns, please contact me or Jason Bennett. We appreciate your support over the last few years and look forward to working with you all again next year.

Regards,
